

Seeb, What Do You Love (ft. Jacob Banks)

Spend your time in a 9 to 5
You waste your time on central line
What do you love?
Work 2 jobs
Trying stay alive
You spend your monay on a Friday night
Tell me, what do you love?

Just stand for something
Or fall for anything

Come out of the dark into the night
Whetever you fear is
It will me allright
But tell me what do you love?
