Seeed, End Of Days

Vers 1:

taste that taste it tastes delicious baby you can read my wish you are too much food to finish stay right here and eat my dish electric blood and more desire my vains are like a hot wire pumping power empire im m a flyer take me higer take my world and take my kisses baby you are such a bliss you are acting so ambicious come i show you what you miss

seems like you know what to try out you know what all this is about you got riddim i m a rider you wanna burn? zip my lighter! What you see is what you get your eyes make my eyes wet your face in the sunset what a pleasure to see that the sound of things you've said still rings on in my head it's a nice place we are at i wish i'll never forget

Chorus:

it's the end of the day you are with me on my way we will ride through the night nothing bad in going mad

Vers 2 (maya):

look at me now what you guess come here and tear up me dress a long time mi ready fi braek out gimme the hotter slackness let me glow in the darkness a long time mi ready fi broke out with carribean impress this soundboy i waan test a long time mi ready make me shout what's next sky is the limit take me to the highness boy you never know see mi body full o goodness maya de la guada ready fi the hotness mystic fire magical sweetness

CHORUS

Vers 3:

let me prepare you for some good good loving close your eyes baby time is forgotten sweet carress going to be soft like cotton drift away gonna press all your buttons -.-

so when you feel it coming all of a sudden and when you see all of dem strangs tings happen your body shivers and your river starts running coming coming! that's the way mi show you that i love you
