## Seeter, Last night I saw that beauty queen

Last night I saw that beauty queen Watched her paint her face on I wanna be that magazine That she bases life on I wanna waste her monthly blood Wanna get some on my love Wanna get some gasoline And burn the house down Shes got nothing to say Shes got bills to pay Shes got no one to hate Except for me Last night I saw that beauty queen Shes getting high on Revlon I wanna be that magazine That she wastes her life on I wanna waste her monthly blood Wanna get some on my love Wanna get some gasoline And burn the house down Shes got nothing to say Shes got bills to pay Shes got no one to hate Except for me Me. Last night I saw that beauty gueen

Last night I saw that beauty queen Watched her paint her face on I wanna be the one unclean That she wipes her ass on Wanna waste her monthly blood Wanna get some on my love Wanna get some gasoline And burn the house down Shes got nothing to say Shes got bills to pay Shes got no one to hate Except for me Me.

She's got no one to blame Except for me Me.

Shes got nothing to say She takes pills for pain
