

# Seether, Breakin`

Oh Now I found Myself  
Wish I was someone else  
My hands are staid with love  
Wish I could take it away  
Keep Taking, Taking Away  
I keep Breaking, Breaking, Break  
I can't believe it yesterday  
Hear you coming In  
I can't believe it who I am  
The worst is over now  
You shouted any how  
My hands are staid with cum  
Wish I could wash it away  
Keep Taking, Taking Away  
I keep Breakin, Breakin  
I can't believe it yesterday  
Hear you coming In  
I can't believe it who I am  
Here you come again  
I can't believe it what I've Know  
Here you coming In  
I can't believe it who I am  
Hold Me  
Find Me  
Fuel Me  
You Fuck Me Up  
Fuck Me Up Again  
Hold Me  
Find Me  
Fuel Me  
You Fuck Me Up  
Fuck Me Up Again!  
Break  
ME!  
I can't belive it yesterday  
Hear you coming in  
I can't believe it who I am  
Here you come again  
I can't believe it what I've know  
Here you come again  
I can't believe it who I am  
So Break!
