## Seether, Fade Away

I wanna be there when you call I wanna catch you when you fall I wanna be the one you need I wanna be the one you breathe

Todays the day well fade away, oh Todays the day well fade away, oh Todays the day well find our way grown Todays the day well fade away

I wanna be there when you cry And when youre down III help you fly I wanna be the one you need I wanna be the one you breathe

Todays the day well fade away, oh Todays the day well fade away, oh Todays the day well find our way grown Todays the day well fade away, oh

But Im coming back, and Im taking back everything I can Its breaking me up and tearing me up Its all I have And Im coming back, and Im taking back everything I can Its breaking me up and tearing me up Its all I have

Todays the day well fade away, oh Todays the day well fade away, oh Todays the day well find our way grown Todays the day well fade away, oh Todays the day well fade away
