

# Seether, Fine Again

It seems like every days the same  
and Im left to discover on my own  
It seems like everything is gray  
and theres no color to behold  
They say its over and Im fine again, yeah  
Try to stay sober feels like Im dying here

And I am aware now of how  
everythings gonna be fine one day  
Too late, Im in hell I am prepared now,  
seems everyones gonna be fine  
One day too late, just as well

I feel the dream in me expire  
and theres no one left to blame it on  
I hear you label me a liar  
cause I cant seem to get this through  
You say its over, I can sigh again, yeah  
Why try to stay sober when Im dying here

And I am aware now of how  
everythings gonna be fine one day  
Too late, Im in hell  
I am prepared now,  
seems everyones gonna be fine  
One day too late; just as well

And Im not scared now.  
I must assure you,  
youre never gonna get away  
And Im not scared now.  
And Im not scared now. No

I am aware now of how  
everythings gonna be fine one day  
Too late, Im in hell  
I am prepared now  
seems everyones gonna be fine  
One day too late, just as well  
I am prepared now,  
seems everythings gonna be fine for me  
For me; for myself.  
For me, for me, for myself  
For me, for me, for myself
