

# Seether, Got It Made

So I said this once before  
I'm never gonna give you in  
No, not again  
Cause I've wasted all I've known,  
to watch it fade and slip away now  
from my hands  
And what I have I have in mind  
And I think about you all the time

[Chorus:]  
I'm feeling miles away  
You think I've got it made  
I don't belong here  
I'm feeling like a candle burning at both ends  
I don't belong here

Now I hide myself away  
I never wanna feel again  
Cause I faced this all alone  
I let it seep and wash away now  
It's all the same  
And what I have I have in mind  
And I think about you all the time

[Chorus]

Never run away, son  
Never run away, son  
Never run away, son

Cause what I have I have in mind  
And I think about you all the time

[Chorus]
