

Seether, Hang On

Well now I found myself
Wish I was someone else
My hands are stained with love
Wish I could take it away
I hid behind the shell
In time the pain will melt
My heart is stained with love
Wish I could fake it

I gave my life away
Theres nothing left to say
I gave my life away
You take it in your way

You take it in your way

My selfish enemy
Still has the best of me
Empty and feeling numb
Wish I could take it away
I cant control the need
To weak to not concede
Wish I was deaf and dumb
Wish I could fake it

I gave my life away
Theres nothing left to say
I gave my life away
You take it in your way

I gave my life away
Theres nothing left to say
I gave my life away
You take it in your way

I cant pretend were the same
I cant pretend were the same
I cant pretend were the same

Oh now I found myself
Wish I was someone else
My hands are stained with love
Wish I could FAKE

I gave my life away
Theres nothing left to say
I gave my life away
You take it in your way

I gave my life away
Theres nothing left to say
I gave my life away
You take it in your way

You take it in your way [4x]
