

Seether, Out Of My Way

Out of my way
Out of my, way

[Pre-Chorus]

I cant pass up this opportunity to make myself absurd,
I cant pass up this opportunity to let myself be heard.
Would you, like to, be the one who sees me lose this all,
Would you, like to, be the one who sees me fall.

[Chorus]

Nobodys gonna stand in my way
Give it up son, Im doin this my way
Nobodys gonna stand in my way
Give it up son, Im doin this my way

You like to think the worst is over now, but you cant breathe at all
You like to think youre owed a favor now, man youve seen it all

Did you, want to, be the one who pushed me off the wall,
Did you, want to, be the one who let me fall.

[Chorus]

You cant hold me down..
You cant hold me down..
You cant hold me down..
You cant hold me down..

[Pre-Chorus]

[Chorus]

Nobodys gonna stand in my way
Give it up, Im doin this my way
Nobodys gonna stand in my way
Give it up, Im doin this my way
Out of my way
