

Seether, Stay and Play

Give in to me
Don't let them see
Give in to me
Do you wanna play with me
Give in to me
Don't let them see
Give in to me
Do you want to stay with me

See you in the mucous stains
Vaseline and stink remains
Seen you reach up to the sun
Seems I hate what you've become

Do you wanna play with me
Do you wanna stay with me
Do you wanna play with me
Do you wanna stay with me

Come on stay and play
Come on pay to play
Come on stay and play
Come on pay to play

Give in to me
Don't let them see
Give in to me
Do you want to stay with me
Give in to me
Don't let them see
Give in to me
Do you wanna play with me

Seen you move and break up homes
Broke your body, broke your bones
Seen you get burned on the sun
Seems I hate what you've become

Do you wanna play with me
Do you wanna stay with me
Do you wanna play with me
Do you wanna stay with me

Come on stay and play
Come on pay to play
Come on stay and play
Come on pay to play

Give in to me
Don't let them see
Give in to me
Do you want to stay with me
Give in to me
Don't let them see
Give in to me
Do you want to play with me

Seen you in the mucous stains
Vaseline and stink remains
Seen you get burned on the sun
Seems I hate what you've become

Do you wanna play with me
Do you wanna stay with me

Do you wanna play with me
Do you wanna stay with me

Come on stay and play
Come on pay to play
Come on stay and play
Come on pay to play
