## Seether, Sympathetic

And my words will be here when Im gone As Im fading away against the wind And the words you left me linger on As Im failing again now, never to change this

And Im sympathetic, never letting on I feel the way I do As Im falling apart again at the seam

And it seems Im alone here, hollow again As Im flailing again against the wind And the scars I am left with swallow again As Im failing again now, never to change this

And Im sympathetic, never letting on I feel the way I do As Im falling apart again at the seam And Im sympathetic, never letting on I feel the way I do As Im falling apart again at the seam

The same old feelings are taking over and I cant seem to make them go away And I cant take all the pressure sober, but I cant seem to make it go away The same old feelings are taking over and I cant seem to make them go away And I cant take all the pressure sober (I cant make it go away. I cant make it go away)

And Im sympathetic, never letting on I feel the way I do As Im falling apart again at the seam And Im sympathetic, never letting on I feel the way I do As Im falling apart again at the seam And Im falling, falling, falling, falling, falling, falling, Apart again at the seam.
