

Sega Sound Studio, Belive In Myself

When all alone in my chair, I just go about wishing
I wanna be strong, I really wanna be trusted
When all alone in my bed, I just go about yearning
I wanna be cool, I also wanna be like him

But that's not something I can do so easily
This is not simply my way, my style
Gotta get a hold of my life

I wanna fly high
So I can reach the highest of all the heavens
Somebody will be waiting for me so,
I have got to fly higher

Gotta keep goin'
Everything is a brand new challenge for me
I will believe in myself
This is the only start for me

When all alone in my sleep, I just go about dreaming
I see myself there, having the same adventure

If I just follow you, I will never see the light
Now is the time to find my way through this life
I'm trying so hard to be strong

I wanna fly high
So I can reach the highest of all the heavens
Somebody will be waiting for me so,
I have got to fly higher

(Guitar solo)

Many friends help me out, in return I help them
Certain things I can do and there are things that only I can do
No one's alone!

I wanna fly high
So I can reach the highest of all the heavens
Somebody will be waiting for me so,
I have got to fly higher
