Sega Sound Studio, City Escape

Rollin' around at the speed of sound.
Got places to go, gotta follow my rainbow.
Can't stick around have to keep moving on.
Guess what lies ahead, only one way to find out.
Must keep on moving ahead. No time for guessing follow my pain instead.
Trusting me, what you can see.
Take my lead, i'll set you free.

--chorus*

Follow me. Set me free.
Trust me and we will escape from the city.
I'll make it through, follow me, follow me.
Set me free.
Trust me and we will escape from the city.
I'll make it through prove it to you.
Follow me!!
Oh yeah!

--

Danger is looking around every turn.
Trust your feelings, got to live and learn.
I know that somehow i will make it through.
Got no other options, only one thing to do.
I don't care what lies ahead, no time for guessing only follow my pain instead.
But nothings straight, no matter what that may be.
Take my lead, i'll set you free.
