

Sega Sound Studio, Follow Me (City Escape)

Rolling around at the speed of sound
Got places to go, got to follow my rainbow
Can't stick around - have to keep moving on
Guess what lies ahead - only one way to find out

Must keep on moving ahead
No time for guessing - follow my plan instead
Trusting in what you can't see
Take my lead, I'll set you free

Follow me, set me free
Trust me and we will escape from the city
I'll make it through...follow me,
set me free
Trust me and we will escape from the city
I'll make it through - prove it to you...follow me

oh yeah

Danger is lurking around every turn
Trust your feelings - got to live and learn
I know it's some luck that I'll make it through
Got no other options - only one thing to do

I don't care what lies ahead
No time for guessing - follow my plan instead
Find that next stage, no matter what that may be
Take my lead, I'll set you free

Follow me, set me free
Trust me and we will escape from the city
I'll make it through...follow me,
Set me free
Trust me and we will escape from the city
I'll make it through - prove it to you...follow me

Follow me, Follow me
