

# Sega Sound Studio, It Doesn't Matter

Well I don't show off, don't criticise,  
I'm just livin' by my own feelings,  
and I won't give in, won't compromise,  
I just only have a steadfast heart of gold,

I don't know why I can't leave though it might be tough,  
But I ain't outta control, just livin' by my word,  
Don't ask me why, I don't need a reason,  
I got my way, my own way!

It doesn't matter now what happens, I will never give up the fight.  
Long as the voice inside drives me to run and fight,  
It doesn't matter who is wrong and who is right.

Oh oh oh oh...

Well, I don't look back, I don't need to,  
Time won't wait and I got so much to do,  
Where do I stop now, it's all a blur and so unclear,  
Well I don't know but I can't be wrong,

It doesn't matter now what happens,  
I will never give up the fight.  
Long as the voice inside drives me to run and fight  
Place all your bets on the one you think is right.

(INSTRUMENTAL)

It doesn't matter now what happens, I will never give up the fight.  
Long as the voice inside drives me to run and fight  
It doesn't matter who is wrong or who is right.

Oh, no no no,  
It doesn't matter!
