

# Sega Sound Studio, It Doesn't Matter (Original)

Well, I don't show off, don't criticize  
I'm just livin' by my own feelings  
And I won't give in, won't compromise  
I just only have a steadfast heart of gold

I don't know why, I can't leave though it might be tough  
But I ain't out of control, just livin' by my word  
Don't ask me why, I don't need a reason  
I got my way, my own way

It doesn't matter now what happens I will never give up the fight  
There is no way I will run away from all of my frights  
Long as the voice inside me says go, I will always keep on running  
There is no way to stop me from going to the very top

It doesn't matter who is wrong and who is right

Well, I won't look back I don't need to  
Time won't wait and I got so much to do

Where do I stop, it's all a blur and so unclear  
Well, I don't know but I can't be wrong

This fight is not for anybody, this is purely for myself  
There is no way I'm gonna give up 'til the very end  
I can't tell what is wrong and what is right, I've got to find the answer  
But I do there's no way I will ever give up

Place all your bets on the one you think is right

(Guitar solo)

It doesn't matter now what happens I will never give up the fight  
There is no way I will run away from all of my frights  
Long as the voice inside me says go, I will always keep on running  
There is no way to stop me from going to the very top
