

Sega Sound Studio, Team Chaotix

Once upon a time, you could be a bad guy,
And you'd live to see another day.
But now you never, boy, you'd be BRAIN DAMAGED
just to think that you could get away.

The power has arrived in a dream team,
A force plus one and one makes three
And when the trail's gone cold and the lies have been told
This crew'll find what you can't see.
Yeah!
Danger hides when the hyper bee flies and the ninja stars fly too.
The muscle is Vector, the karma collector, and he's sworn to fight for you!

TEAM CHAOTIX!
They're detectives, you want on your side!
TEAM CHAOTIX!
Their directive's, tracking down your crimes!
Come along for the ride,
The truth can run but not hide,
For long - the game is on - noooooow!

Remember when stealin'
Used to be a good dealin'
And the crooked life would always pay,
Well, now that the team's in town,
That's all gone underground,
But its a worry to this very day.

A challenge has been issued by the Eggman!
This mission's gonna need them all.
And though his hope's grown thin, and their outlook is grim,
These three are gonna heed his call.

Yeah, Charmy's thing is dishing out first sting
While the green one cheers them on,
Espio is clearly ready to go!
Run down who'd do you wrong.

TEAM CHAOTIX!
They're detectives, you want on your side!

Come along for the ride,
You can run but not hide,
