## Selah, Mary Sweet Mary

Mary, sweet Mary, your heart overflows Deep in the night, child, a babe is born. Sacred and holy, blameless and pure, Mary, sweet Mary, tonight your child is born.

Mary, sweet Mary, so strong, yet so frail Carried a baby sent to save the world. Wise men still seek Him and find in Him peace.

Mary, sweet Mary, tonight your King is born.

## Bridge:

All of the angels danced as heaven sang All of the earth stood so still and so peacefully.

Mary, sweet Mary, God's precious child Blessed redemption is found in His eyes. All creatures great and small, He came for all. Mary, sweet Mary, tonight your Savior's born . . . Mary, sweet Mary, tonight our Savior is born . . .
