

# Selah Sue, Fade Away

My feelings go away,  
And I'm about to lose hope.  
My eyes won't see the light  
Because my tears keep falling down.

'cause I'm about to feel the air of life,  
Yeah, I was waiting too long  
And I'll get you when you sense  
To free your mind, to free your mind.

I'm about to fade away, I'm about to fade away.  
I will swing off and do you, I will swing off and  
I'll keep on holding you close, but I'm better without you.

My feet will see the day  
If I decide to stay home.  
And I'm blind, turn on the lights  
Before my eyes obeying slowly.

I'm about to feel the air of life,  
Yeah, and it's waiting to fall down.  
But I'll keep your heart in mine all my life, all my life.

I'm about to fade away, I'm about to fade away.  
I will swing off and do you, I will swing off and  
I'll keep on holding you close, but I'm better without you.

I'm about to fade away, I'm about to fade away.  
I will swing off and do you, I will swing off and  
I'll keep on holding you close, but I'm better without you.
