

Selasee, Run

Check out the real situation
and take a run upon the road
cause I and I wanna get so strong
So I say
Go and run and run upon the road
let your heart beat faster, faster
it's gonna make your body stronger
so I say
go and run and run upon the road
let your heart beat faster, faster
it's gonna make your body, stronger
I am sayin' don't you know
humility is power, power, power
Some people see it as a weakness
I am sayin' don't you know
humility is power, power, power
it's gonna make your body, stronger

CHORUS

inker jo fwoie ko ni o na hewale ke wo o gbomo eh!
gbomo tsomi, gbomo tsomi,
gbomo tsomi, gbomo tsomi
koo ni oming ashe ohey keha
o gbomo eh!
gbomo tsomi, gbomo tsomi
so I say
