

Selena, Baila Esta Cumbia (English Translation)

"Dance This Cumbia"

Please remember! This translation is my personal work. It is sometimes difficult to translate word for word.

I feel something that moves me
A beat that makes me dance
Take your partner everybody
Everybody, let's have some fun
Dance, dance to this cumbia
Move, move your waist (hips)
All the hands up in the air
and scream, scream like crazy
Dance, dance to this cumbia
A beat, a beat like no other
Don't anybody stay seated
Everybody's gonna dance
