

Selena, Contigo Quiero Estar (English Translation)

"I Want to Be With You"

Please remember! This translation is my personal work. It is sometimes difficult to translate word for word.

Dear, dear, I love you so much
You're my dream*, you're my passion
I'll keep loving you forever
If upon waking, you're not at my side
I feel empty and filled with cold
I need your warmth
Because with you everything is love
To the sky I want to fly, and arrive in your arms
With you everything is love
I can't take it anymore, I want to be with you

I'm thinking every moment
of feeling your skin, touching mine
and being able to kiss you
This heart, love, wants to give itself to you
Make me all yours, because I belong to you
I need your love
