Selena Gomez, A year without rain

Ooh ooh ooh Ooh ooh ooh

Can you feel me

When I think about you? With every breath I take Every minute No matter what I do

My world is an empty place Like I've been wandering the desert For a thousand days (oh) Don't know if it's a mirage But I always see your face, baby

[Chorus:]

I'm missing you so much
Can't help it, I'm in love
A day without you is like a year without rain
I need you by my side
Don't know how I'll survive
A day without you is like a year without rain (oh, whoa)
Whoa, oh, whoa

The stars are burning
I hear your voice in my mind (voice in my mind)
Can't you hear me calling?
My heart is yearning
Like the ocean that's running dry
Catch me, I'm falling

It's like the ground is crumbling underneath my feet Won't you save me? There's gonna be a monsoon when you get back to me, oh, baby

[Chorus]
I'm missing you so much
Can't help it, I'm in love
A day without you is like a year without rain
I need you by my side
Don't know how I'll survive
A day without you is like a year without rain (oh, whoa)
Whoa, oh, whoa

[Chorus]

So let this drought come to an end And make this desert flower again I need you here I can't explain But a day without you Is like a year without rain (oooh)

It's a world of wonder with you in my life So hurry, baby, don't waste no more time I need you here, I can't explain But a day without you is like a year without rain (oh, whoa)

[Chorus]

Ooh ooh ooh Ooh ooh ooh
