

# Selena Gomez, My Mind & Me

Wanna hear a part to my story  
I tried to hide in the glory and sweep it under the table so you would never know  
Sometimes I feel like an accident  
People look when they're passing it  
Never check on the passenger  
They just want the free show

Yeah I'm constantly  
Tryna fight something that my eyes can't see

My Mind & Me  
We don't get along sometimes and it  
Gets hard to breathe  
But I wouldn't change my life  
And all of the crashing and burning and breaking I know now  
If somebody sees me like this then they won't feel alone now  
My Mind & Me

It's hard to talk and feel heard  
When you always feel like a burden  
Don't wanna add to concern I know they already got  
But if I pull back the curtain  
Then maybe someone who's hurting will be a little more certain  
They're not the only ones lost

Yeah I'm constantly  
Tryna fight something that my eyes can't see

My Mind & Me  
We don't get along sometimes and it  
Gets hard to breathe  
But I wouldn't change my life  
And all of the crashing and burning and breaking I know now  
If somebody sees me like this then they won't feel alone now  
My Mind & Me

Ahhh Ahhh Ahhh  
My Mind & Me  
Ahhh Ahhh Ahhh  
My Mind & Me  
Ahhh Ahhh Ahhh  
My Mind & Me  
Ahhh Ahhh Ahhh  
Oh, it's only my mind & me  
My Mind & Me
