

# Selena, My Love (Selena 1989)

My Love  
Don't throw away my love  
You are to me my greatest fantasy  
Night after night, I want for you to hold me tight  
I want to be with you,  
You could make my dream come true  
Only you can make my heart and soul brand new  
My love  
Don't throw away my love  
My love  
We could have an everlasting love  
I want to be all that you want me to be  
Why can't you see just how much you mean to me?  
I want to be with you,  
You could make my dream come true  
Only you can make my heart and soul brand new  
My love  
Don't throw away my love  
My love  
We could have an everlasting love  
My love  
Don't throw away my love  
My love  
We could have an everlasting love  
Don't throw away  
Don't throw away my love
