-----  
That's the way I like it  
You're my life, you're my everything  
Come with me, I want to make you my treasure  
I want to give you what I keep in my heart  
You are the owner of my love,  
You are the one who I want with me  
Don't ever go away, don't cause me any pain  
Everybody sing!  
Come with me, I want to love you  
Come to my side, I want to kiss you  
With me you'll have everything you want  
And until the day I die,  
You will be my love  
(A.B)With spirit!  
With me you'll have everything you want  
And until the day I die,  
You will be my love  
... (Selena)...a big hand for my good friend Pedro Astudillo!  
(Pete)Oh yeah! A greeting for all of our friends  
from Corpus Christi that are here with us tonight  
Let's hear a shout!  
A song called "Perdoname..."  
Forgive me if I was cruel with your love  
And listen to me, today I'm begging you like a child  
Forgive me if I didn't know how to appreciate a faithful love  
Well without you I'm worth nothing, and today I can only  
hope that you will forgive me  
Without you I'm worth nothing, and if I end up  
losing you, the guilty one has been me  
Forgive me, I didn't mean to hurt you  
Forgive me, I realize now that I love you  
Forgive me, I don't want to be without you even one minute  
Forgive me, look at how I'm suffering  
Forgive me, I'm guilty and I don't deny it...  
that I was unfaithful... forgive me
