

Selena, Ya No (English Translation)

"Not Anymore"

Please remember! This translation is my personal work. It is sometimes difficult to translate word for word.

I already found out everything, and you can go now
This is too much already and I can't forgive you
Go with her or whoever, I don't care
But don't come back here anymore
Not anymore, not anymore
And if you call me, I won't be available anymore
And if you write me, don't wait for an answer anymore
And your presents, I'm giving you back all of them
Because I don't want anything from you
Not anymore, not anymore
There won't be a heart here anymore
that will give you its love
whenever you want it
You won't have my passion anymore
Say goodbye to the heat
that one day I might have given you
You can go already,
there's nothing more to discuss
I don't love you anymore
Not anymore, not anymore
And my friends told me
that your love would never be true
Well today I believe it, seeing you in her arms
And I don't want to see you anymore
Not anymore, not anymore
And these lips won't be yours anymore
My love will only be a blow to your pride
And if you hug me, it will be only in dreams
Because I don't want you here anymore
Not anymore, not anymore
