

Self, Having Dinner With The Funk

Having Dinner With The Funk

1234

I'm kickin your ass with the funk

I'm biting my nails with the funk

I'm changing my name with the funk

I'm moving out with the funk

I'm harvesting wheat with the funk

I'm surfing the internet with the funk

I'm going to have dinner with the funk

'Cause i'm kickin your ass with the funk
