

# Selwyn, Like This, Like That

If you tell me that you don't wanna hit it,  
tell me whether I'll scrub till you get it  
Does he do it better than me,  
like-like-like this, does he do it like that

Now you tell me that it's cool, baby between me and you  
But you're runnin' 'round leadin', creapin' on me, and,  
I thought that we were 'supposed, to be together babe  
But I never thought that it would be this way, this way  
Listen up,  
Does he, do it better than me (does he do it, baby)  
Do it better than me, (better than me)  
Does he do it like this (baby), does he do it like this

So if you tell me that you don't wanna hit it  
Tell me whether I'll scrub till you get it (get it baby)  
Does he do it better than me,

(Tell me does he do it like this, like this)
