

Send More Paramedics, Anthropophagi

Now Contemplate Annihilation
Devoured By Anthropophagi
Wild Beasts Will Tear Us Into Pieces
We Must Prepare Ourselves To Die

We Shall Be Colonised
Unfeeling Lustre Of Those Burned-Out Eyes
Dehumanised
Despised

Slaves To A Terrifying Hunger
Humid Night Air Throbbing With Their Brutish Cries

Arising From The Heart Of Darkness
Mongrel Descendants Of Your Crime
Blood-Covered Masks Like Savage Totems

We Shall Be Colonised
Unfeeling Lustre Of Those Burned-Out Eyes
Dehumanised
Despised

Out In The Wastes Beyond The Chain-Link
These Ragged Millions Wait Their Time
Fell Devils Marked By This Possession
Blackened Masses Of The Zombified
