

# Send More Paramedics, Kingdom Of The Undead

You are puny mortals  
We will inherit the earth  
We are greater than you  
We outnumber you

From our graveyards and morgues we will rise up to overcome  
Your time is over

You are puny mortals  
We will inherit the earth  
We are greater than you  
We outnumber you

We are stronger than you  
We never sleep, want but one food  
I bid you welcome  
To the kingdom of the undead
