

# Send More Paramedics, This Crowd Is Crushing

Vast Populations Flee  
Everybody's F\*\*king Leaving  
Now We're All Refugees  
Mass-Exodus, The Streets Are Seething

No Escape From The Endless Horde  
This Billion-Headed Bastard Out For Blood  
Stifled In The Shrieking Herd  
Cattle To Slaughter, Drops In An Ocean Of Dust

No Place To F\*\*king Go  
Praying I Must Be Dreaming  
Multitude Of The Hateful Host  
Lurching, Shouting, Shoving, Screaming

No Escape From The Endless Horde  
This Billion-Headed Bastard Out For Blood  
Stifled In The Shrieking Herd  
Cattle To Slaughter, Drops In An Ocean Of Dust

Flash Tide Of Panic In The Streets  
This Can't Be F\*\*king Happening  
Dear Faces Lost In The Stampede  
I'd Kill You All To F\*\*king Breathe  
And As You Struggle To Stay Free  
We're Crushed Like Rats Beneath Your Feet  
This F\*\*king Crowd Is Crushing Me

Corpses Piled Against The Doors  
Uninfected And Infected  
Smothered By The Rabid Swarm  
Charnel-Pile Of Human Wreckage

No Escape From The Endless Horde  
This Billion-Headed Bastard Out For Blood  
Stifled In The Shrieking Herd  
Cattle To Slaughter

Flash Tide Of Panic In The Streets  
This Can't Be F\*\*king Happening  
Dear Faces Lost In The Stampede  
I'd Kill You All To F\*\*king Breathe  
And As You Struggle To Stay Free  
We're Crushed Like Rats Beneath Your Feet  
This F\*\*king Crowd Is Crushing Me

There's Too Many
