

# Senhit, Adrenalina (San Marino, Eurowizja 2021)

I'm burning up without fictions  
Give me your full attention  
I want you to tame my fire now  
Woah-oh-oh-oh-oh

Keep movin'  
Now your eyes on me!  
It's like my body's yours only  
So baby,  
Don't leave me lonely now  
Woah-oh-oh-oh-oh

We're like fire  
Gasoline  
Come and light i tup with me  
So high on adrenaline  
You're my adrenaline  
Just one touch and i will ignite  
I am a flame, on dynamite  
So high on adrenaline  
You're my adrenalina

Adrenalina

This place so fancy  
Let's go and light up teh city  
You're close enough  
But i need you closer  
Woah-oh-oh-oh-oh

You got me this point only  
Girl i can't live, no without you  
You know, and you know , i know  
Oh you know i know  
Woah-oh-oh-oh-oh

We're like fire  
Gasoline  
Come and light i tup with me  
So high on adrenaline  
You're my adrenaline  
Just one touch and i will ignite  
I am a flame, on dynamite  
So high on adrenaline  
You're my adrenalina
