

# Sense Field, Emergency Exit

Insurance case we all lose our heads...  
promise I won't drink myself to death...  
baby before I do anything...

emergency exit to escape my head...  
and I love you to death...  
I, I love you to death...  
I, I love you too death...  
I, I love you too...

insurance case we go crazy...  
promise me you won't worry yourself sick...  
baby don't over think everything...

emergency exit to escape my head...  
and I love you to death...  
I, I Love you to death...  
I, I Love you too...

Don't you want to go around...  
forget everyone...  
forget everything now...  
don't you want to go around...  
forget everyone...  
forget everything now, it's just you and I ...  
I, I love you ...  
I, I love you...  
I, I love you...
