

Sense Field, Fiesta

take the fire escape from summer
I will see you again
someday
will you save a seat for me?
say hello to everyone...
I'm hearing music,
its coming from upstairs
its so beautiful,
its coming from upstairs
and I do not like goodbyes
develop my picture of how it feels
I will see you again
someday
and I will be leaving soon
lay the icons around the room
hearing music,
coming from upstairs its coming from upstairs
I'm looking back almost a century
I hear the music come alive
looking forward to simple rest...
take the fire escape from summer
I will see you again someday soon
will you save a seat for me?
say hello to everyone
I will be leaving soon
lay the icons around the room
