

# Sense Field, Wondering Time

you're the only one who understands  
you're the only one who understands  
the weight of this moment  
the weight of this day  
you're the only one who understands  
here in wondering time in wondering time I'm wondering  
if all I ever needed was someone to say  
if all I needed was someone who reminded me,  
if all I needed was someone who, who reminded me  
if all I needed was someone who, who reminded me  
if all I needed was someone who, who reminded me  
someone to say,  
reminding me, someone and someone to say  
you're the only one who understands  
you're the only one who  
understands me
