

# Seori, Can't Stop This Party

Getting over the sadness  
Here you go, you can have it  
Up the pole see me dancing  
And it feels good heading earth  
On a whole 'nother planet  
And I ain't looking back at  
Any part of the baggage  
And it feels good headin'  
Oh, I feel like I can finally breathe the air I needed  
Up the pole see me dancing, mmm-mmm  
Can't stop this party  
Can't stop this party  
Can't stop this party  
Can't stop this party  
Can't stop this party  
Can't stop this party  
Can't stop this party  
Can't stop this party  
No get away, I'm here to stay  
In outer space, no interstate  
But in a lane, Don't wanna change  
Let's talk about that another day  
And when I say talk I'm lying  
'Cause really I'm off you knowing  
Wherever the fuck I'm going  
It feels good heading earth  
Getting over the sadness  
Here you go you can have it  
Up the pole see me dancing  
And it feels good heading earth  
On a whole 'nother planet  
And I ain't looking back at  
Any part of the baggage  
Can't stop this party  
Can't stop this party  
Can't stop this party  
Can't stop this party  
Can't stop this party  
Can't stop this party  
Can't stop this party  
Can't stop this party  
I get it now, I'm finding out  
I wasn't down, just in your heart  
Inside your doubt, your data cloud  
You made a network to run me round  
And when I say run I mean it  
Now really I'm done with feeling  
Whatever you want me feeling  
'Cause it feels good heading earth  
Oh, oh, oh  
Can't stop this party  
Can't stop this party  
Can't stop this party  
Can't stop this party  
Can't stop this party  
Can't stop this party  
Can't stop this party  
Can't stop this party  
Mm-mm  
Mm-mm-mm-mm  
Mm-mm-mm-mm  
Mm-mm-mm-mm  
Mm-mm (ah, ah-ah)  
Mm-mm-mm-mm

Mm-mm-mm-mm  
Mm-mm-mm-mm (ah-ah, ah-ah)  
Ah-ah  
Can't stop this party  
Can't stop this party  
Can't stop this party  
Can't stop this party  
Can't stop this party  
Can't stop this party  
Can't stop this party  
Can't stop this party
