

# Sepultura, Black Magic [Slayer]

Cursed  
Black magic night  
We've been struck down  
Down in this Hell  
Spells surround me day and night  
Stricken by the force of evil light  
The force of evil light  
Cast  
Under his spell  
Blinding my eyes  
Twisting my mind  
Fight to resist the evil inside  
Captive of a force of Satan's might  
A force of Satan's might  
Fighting the curse  
Break it I must  
Laughing in sorrow  
Crying in lust  
My strength slips away  
Soon I must fall  
Victim of fortune  
My sources grow small  
Life slips away  
As demons come forth  
Death takes my hand  
And captures my soul
