

Sepultura, Bodies [Sex Pistols]

She was a girl from Birmingham
She just had an abortion
She was a case of insanity
Her name was Pauline, she lived in a tree
She was a no-one who killed her baby
She sent her letters from the country
She was an animal
She was a bloody disgrace
Body - I'm not an animal
Body - I'm not an animal
Dragged on a table in a factory
Illegitimate place to be
In a package in a laboratory
Dying little baby - screaming
Runny, screaming, fucking bloody mess
Not an animal - it's an abortion
Body - I'm not an animal
Mummy - I'm an abortion
Throbbing squirm
Gurgling, bloody mess
Another discharge
Another loss in protein
Another throbbing squirm
Ahhh!
Fuck this and fuck that
Fuck it all and fuck the fucking brat
She don't want a baby who looks like that
I don't want a baby who looks like that
Body - I'm not an animal
Body - an abortion!
Body - I'm not an animal
Body - I'm not an animal
An animal!
I'm not an animal
I'm not an animal, an animal
I'm not an animal
I ain't no animal
I'm not a body
I'm not an animal, an animal
I ain't no animal
I'm not an animal
I'm not an animal - mummy!
Uh!
