

# Sepultura, Drowned Out

He just takes what's his  
Can never see an end  
Build a wall of selfishness  
To block out all your fears

I can't forget, I won't forget  
I can't forget, I won't forget  
You don't owe me shit

Never any remorse, never any remorse  
Always turning your back  
Drowned out, drowned out

There's no compromise  
Only hate inside  
I decided long ago  
I would never be so blind

I can't forget, I won't forget  
I can't forget, I won't forget

Never any remorse, never any remorse  
Always turning your back  
Drowned out, drowned out

Feel no shame  
Show no shame  
You don't owe me shit!
