Endangered Species

Life !!

The struggle to survive

Crawling, ragin

Feed the hate inside

Are we going to see another day ?

Are we going to make it all the way ?

Are we going to see the light of day ?

Are we going to make it till the end ?

Rise !!

Bad moon rise

Another war, another crime

End in sight

Bleak !!

Why & what the fuck !?!

Shut your mouth, shut your mind, this the way

You're just another prey

Is that what we've became ??

RISE ! (8x)

Are we going to see another day ?

Are we going to make it all the way ?

Are we going to see the light of day ?

Are we going to make it till the end ?

Endangered Species (3 x)

Is that what we've became ??
