

# Sepultura, Necromancer

The misfits high  
In this night  
Can feel the presence of death  
Way to the  
Mortuary  
So the dead's will invoke  
Corpses and skulls  
In my countour  
See a corpse blood  
With the face  
In cruciform  
Now begins for the wrath  
Catch the skulls  
Of a children  
Frozen and dismal  
Coming with me  
Creature  
Kill in name of Hell  
The black mess  
Is started  
Lifes will terminate  
With the wrath  
Of the demons  
Started the genocide  
Wrath  
In my corpus is born  
Death  
Lost legions from Hell  
Slaughter  
You'll see in sacrifice  
Skulls  
Are christians with blood  
Necromancer  
Deads invoker  
Necromancer  
Deads invoker  
Wrath, odious, desire  
In my corpus is born  
The fates last, terror's spread  
For a necros creature of  
The crypts
