## Sepultura, One Man Army

Your Greed Is For Money My Greed Is For Land Shut Off My Eyes Clog Up My Ears Cut Off My Tongue You'll Still Hear Me Coming

My Blood Is Thicker My Pain Will Rise Boycott My Ideas Fueled With The Hate I Feel Infiltrated With The Lies That You're Feeding Me

One Man Army

Our Strength's Your Weakness Our Truth's Your Lies Shut Off My Eyes Clog Up My Ears Cut Off My Tongue You'll Still Hear Me Coming

Surrounded By Mistrust
Trapped In Your Mind
All You Hear Is - What You Fear And
All You Fear Is - What You Don't Know
All You Know Is - What You See
And What You See Won't Last Forever

One Man Army

Our Truth Will Echo And Echo Forever Tormenting You Forever And Ever

You'll Still Hear Me Coming Through To You

Boycott My Ideas Fueled With The Hate I Feel Infiltrated With The Lies That You're Feeding Me

One Man And I'm Coming For You
