

# Sepultura, The Ways Of Faith

The Senseless Painted Room, Excuses From The  
Sky  
Compassion For Nothing, Purity Was A Lie  
Our Souls Have Wounds, Our Sons Will Touch  
The Breath Of Life, For All Mankind

By The Faith Of God, Let Me Be My Name  
In The Name Of God, Let Me Live My Faith

To Instigate A Fear That Resides In You  
The Mystery Of Each And Every One Of Us  
Trust To Trust, Teeth To Teeth  
Lying Low, Near The Sky

By The Faith Of God, Let Me Be My Name  
In The Name Of God, Let Me Live My Faith

Under The Ways Of Faith, Can I Live?

Sacrifice Is Made In Holy Wars  
Covered In Blood, The Path We Walked Before

Seeds In Sacred Soil No Longer Grow  
Can I Live Without You Killing Me

Under The Ways Of Faith, Can I Live?
