## Sepultura, War

Until The Philosophy Which Holds One Race Superior And Another Inferior Everywhere Is War

War In The East, War In The West War Up North, War Down South War

Until The Color Of A Man's Skin Is No More Significant Than The Colour Of His Eyes I Got To Say There'll Be (no?) War

War in the east, war in the west War up north, war down south War

That Until The Basic Human Rights Are Equally Guaranteed To All, Without Regard To Race There'll Be A War

War In The East, War In The West War Up North, War Down South War War War War, War, War, War

War In The East (It's A War)
War In The West (Now Everywhere Is War)
War Up North (It's A War)
War Down South (Now Everywhere Is War)
War In The East, War In The West
War Up North, War Down South

War, War (We Find It Necessary)
War, War
War, War (We Find It Necessary)
War, War
War (And We Know We Shall Win)
(And We Are Confident)

War In Africa or America, North America Or Brazil Or Australia, It Doesn't Matter. (We're The Same)
