

# Seraphim Shock, God Of This World

Jesus and me been playin' some chess  
It doesn't matter who wins  
Dimensional fluxes reality twist  
Bow at your alter of skin  
So many pages, too many lives  
Soaked in the blood of the church  
Guise of an angel, bringer of light  
Let's fuck and suck till it hurts

My hate  
Our eyes  
Your soul  
Minion  
God, I am your God of this world  
God, I am your God of this

Hypnotic delusion, just do what it takes  
We'll give ya just what you need  
Slave to the holy  
Cycles divine  
Don't think you'll ever be free
