

Seraphim Shock, God Of This World

Jesus and me been playin' some chess
It doesn't matter who wins
Dimensional fluxes reality twist
Bow at your alter of skin
So many pages, too many lives
Soaked in the blood of the church
Guise of an angel, bringer of light
Let's fuck and suck till it hurts

My hate
Our eyes
Your soul
Minion
God, I am your God of this world
God, I am your God of this

Hypnotic delusion, just do what it takes
We'll give ya just what you need
Slave to the holy
Cycles divine
Don't think you'll ever be free
