

Seraphim Shock, Sex Toy

Out past the garden gates
Where Halloween still reigns
The moon as blood foretold
For the star for the goat
My naughty fuckin machine
A fallen angels dream
My catholic school girl treat
For the dead Nazarene

Sex toy I want ya
Sex toy I need ya
Sex toy I'll have ya
On your knees for the star

My dollies salty flesh
Her pink is starting to drip
Her sugar walls so tight
As darkness fills her eyes
She moans and softly shakes
She'll beg to cum again
My catholic school girl treat
For the dead Nazarene
