

Sergey Lazarev, Beautiful

Verse 1

I could drown in you
I will fall right through
You could cash me down
Take me underground
Something you don't see
Something you don't know
Wanna spin you around
And tell you that you're beautiful
You're beautiful-4 pasa

Verse 2

Like the feel of a gun
Staring at the sun
Like a step on a crack
You give me no way back
But you still don't see
No you still don't know
I want to pull you down
And show you how you're beautiful
You're beautiful-4 pasa

Chorus

You're beautiful
Want to tell you now
Though you don't know
You're beautiful
You're beautiful-2 pasa
You're beautiful
Want to show you now
Though you don't know
You're beautiful
You're beautiful-2 pasa
