

# Sergey Lazarev, Curiosity

## Verse 1.

Are you looking for love  
dont want romance now  
From the moment i knew, walked over to you  
better think again  
That we gotta be honest  
Put up my hands now  
I dont understand how you got me wrapped around your finger

I dont know you name i dont know if your here alone  
(Wanna get to know you baby)  
Been playing on my mind far too long, say  
gotta give me what i need

## Chorus

They say you're dangerous  
But i dont care cause i've  
Been taken over by this curiosity

You got me serious  
and i cant help myself  
Been taken over by this curiosity

## Verse 2.

You're not looking for love  
no one to tie you down  
but you wanted to go somewhere you dont know  
just walk away

i've fallen for you  
and i'm breaking all the rules  
'cause theres something about you i cant explain, yeah

i dont wanna hear what anybody's got to say  
(just want to get to know you baby)  
i know that it's wrong for me to feel this way  
say  
gotta give me what i need

## Chorus

They say you're dangerous  
But i dont care 'cause i've  
Been taken over by this curiosity

You got me serious  
and i cant help myself  
Been taken over by this curiosity

(I'm so curious, caught up in curiosity, i'm so curious)

Tell me whats going on  
As far as i can see  
is that i'm so into you  
But you're not into me  
Baby what can i do  
It's such a mystery  
all that i know  
is what you got is what i need

## Chorus

They say you're dangerous  
But i dont care 'cause i've  
Been taken over by this curiosity

You got me serious  
and i cant help myself  
Been taken over by this curiosity

They say your dangerous  
But i dont care cause i've  
Been taken over by this curiosty

You got me serious  
and i cant help myself  
Been taken over by this curiosity

i'm so curious, caught up in curiosity

Chorus
